This remodeled home from the 1920s offers plenty of old-world charm and lots of natural light. The home has a wide wrap around front porch like grandma used to have, this is a perfect place to gather with friends and family to while- away the afternoon in rocking chairs. There is a large, flat, back yard to play in. Inside you will enjoy the high ceilings and low maintenance laminate flooring. The owner says all the neighbors are very nice and welcoming. The location is great as its located between Pickens and Anderson. The home is sold mostly furnished.
